PROFILE

Award-winning, driven and enthusiastic design student that strives to create spaces that blend creativity, strategic spatial planning, and storytelling through concept and materiality. Passionate about making a difference in the design industry through advocacy and IIDA involvement. Excited to pursue full-time Interior Design roles to explore interest in workspaces, hospitality, or education/government projects.

WORK EXPERIENCE

2025 - | Gensler San Jose
2026 | **INTERIOR DESIGN INTERN**

- Supported team projects by creating elevations, section drawings, and conceptual renders through use of Revit, Photoshop, and Enscape.
- Managed relationships with material/furniture reps and vendors through emails and meetings.
- Designed presentation decks that effectively communicated design intent and satisfied client needs through InDesign, Revit, and Photoshop.

2023 - | San Jose State University
2026 | **STUDIO MONITOR**

- Efficiently managed material library, operate 3D printers, and laser cutters
- Utilized experience in software to monitor workshops and effectively assist students
- Demonstrated strong problem solving abilities by noticing errors and successfully communicated to other lab technicians and students

2022 - | Eataly
Present | **SERVER**

- Demonstrate strong communication skills and attention to detail through customer interaction
- Maintained an ability to multi-task and work in an effective manner by balancing multiple tables and customer needs
- Regularly showcase ability to work under pressure in a fast paced environment
